Danielle Harris

Profile

I am an energenic and experienced graphic designer. with a love for creativity and an eye for detail. I have been working in the design industry since 2013 where I found myself determined to learn, grow and refine my graphic design skills in all media. I enjoy the diversity and endless design opportunities that manage to present themselves. I am qualified in print media, branding, typography, production and more. I love to find the challenges and rewards in all aspects of graphic design.
